

Water is
important

So ve in g water!

Water is vary

fresh because

You need

it. You good

turn off the

faucet when

You are not

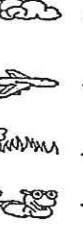

brushing off

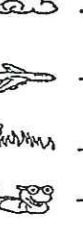

Your teeth.

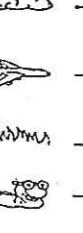

You should

get a toothbrush

Water save to

save water.

Youshood

tack shodra

shouws

to save

water. You shood

save water

so lit d usint

goingsingck

because you

need it to liv.
