LOTS of ways
to save water!

by Ngaan Anyang Ateny
Lots of ways to save water.
If you want to learn how to save water read this book. There are lots of ways to save water. One way is to help your mom and dad fix leaky faucets. The second way is to use a bucket to wash the car not a hose. The third way is to take shorter showers. Everyone needs water. By Ngang Atenyi
Lots of ways to save water!

- Help your mom and dad fix leaky faucets!
- Use a bucket to wash the car
- Shorter showers everyone needs

If you want to learn how to save water, everyone needs water!
