**Ice cream dreams**

**Where to start:** Start with a conversation about the last time you got a scoop. This is a fun way for kids to use their imagination. Which fruits make the best ice cream? How about vegetables? Can they think of some crazy, made-up flavors they’d like to try? Don’t forget the cookie dough, chocolate chips, and gumballs!

**Prompt:** Draw the tallest ice cream cone in the world. How many scoops does it have? Write the name of each flavor.

**How to go deeper:** Think about the ingredients for one of the flavors you named and write down how to make it. (Bug-berry ice cream with crispy caterpillars? Yes please!) (Use the back of this page to write.)
