

Practicing curvy lines

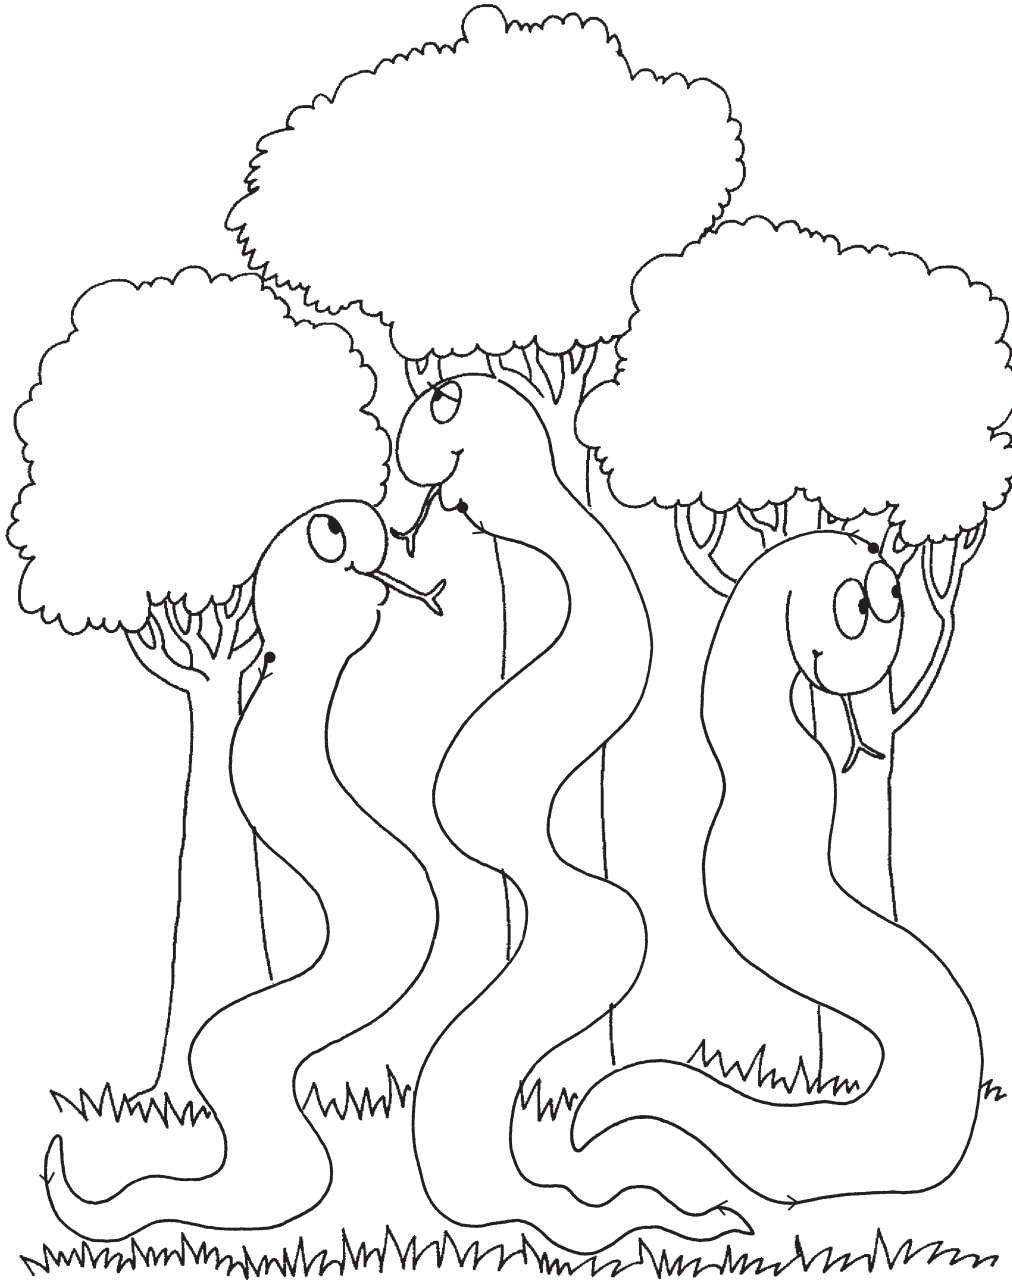

Connect the dots to complete the picture.
Start at each big dot, and follow the arrows.

Practicing curvy lines

Connect the dots to complete the picture.
Start at each big dot, and follow the arrows.

In this activity, your child connects the dots starting with the big dot to form curvy lines. Encourage him or her to practice a fluid movement and to keep the pencil moving. Talk about the shapes and patterns that your child is creating. These pictures are also fun for your child to color and complete.
