Conservation dictionary

Make your own conservation dictionary by collecting words to do with conservation and the prevention of pollution. Here are some words to start you off.

- pollution
- conservation
- smog
- litter
- species
- waste
- atmosphere
- fossil fuels
- environment

Now find some more words yourself, and write them here. You may want to use reference books or the Internet to help you.

<table>
<thead>
<tr>
<th>Word</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>atmosphere</td>
<td>The layer of gases that surrounds the Earth.</td>
</tr>
</tbody>
</table>

Put the conservation words in alphabetical order, and write a short definition for each one. The definition should be easy to understand. The first one has been done for you.
**Conservation dictionary**

Make your own **conservation dictionary** by collecting words to do with **conservation** and the prevention of **pollution**. Here are some words to start you off:

- pollution
- conservation
- smog
- litter
- species
- waste
- atmosphere
- fossil fuels

---

**Answers may vary**

---

Put the **conservation** words in **alphabetical order**, and write a short **definition** for each one. The **definition** should be easy to understand. The first one has been done for you.

<table>
<thead>
<tr>
<th>Word</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>atmosphere</td>
<td>The layer of gases that surrounds the Earth</td>
</tr>
</tbody>
</table>

Writing definitions of words will ensure that your child comprehends their meanings, which will aid memory and improve his or her vocabulary. Accept any appropriate and easily understood definitions, and check that the list is in alphabetical order.
