Recounting events

Write about a day at your school. The words on the poster will help you. Look up any words you need in dictionary.

Remember: The words in a dictionary are in alphabetical order.

First we ........................................
Next we .........................................
Then we .........................................
After lunch we .................................
Last of all we ...................................

Draw a picture of something you do at school.

Answers may vary

read  home
go   sing
spell  paint
add   write
play  bake

Draw a picture of something you do at school.

Your child should learn how to record and recount events, understand the use of sequencing words such as first and last, and relate events to personal experience. Help your child use dictionary and explain how alphabetical order works.
