Find the letters

Draw a circle around each letter in the word **bin**.

Draw a circle around each letter in the word **cup**.
Find the letters

Draw a circle around each letter in the word bin.

Draw a circle around each letter in the word cup.

Ask your child to identify and draw a circle around the three letters that make up the simple illustrated words: bin and cup. This activity introduces the idea that letter shapes can be joined with others to make words. Talk about this concept with your child if you think he or she is ready.
