Find the words
Draw a circle around each word.
What do you think the words say?

moon  star  sun

apple  bed  airplane
Find the words

Draw a circle around each word.
What do you think the words say?

The activity on this page is to distinguish between words and pictures. The child identifies each word and draws a circle around it. Ask your child what he or she thinks the words say. This activity reinforces letter-to-word-to-speech associations and encourages your child to “read” the words with their picture definitions.
